CAIRO DAILY MARKET.

Cairo, Ill., April 16, 1869.

We have to note a marked improvement in general business matters since our last issue, and orders for flour and groceries especially are coming in more freely. General Produce, such as hay, corn, oats and provisions are rather quiet, receipts being limited and sales are confined to the requirements of home dealers.

FLOUR—Has exhibited considerable improvement during the week, most grades being now firmly held at previous outside quotations, while single and double X brands are 2d per lb higher, and firm. Sales reported comprise the following lots:

| | |
|---|-------|
| 100 bbls flour..... | 4 75 |
| 100 bbls superfine..... | 5 25 |
| 75 bbls mto..... | 5 75 |
| 125 bbls mto..... | 5 75 |
| 175 bbls choice X..... | 6 00 |
| 200 bbls XX..... | 6 25 |
| 150 bbls XX..... | 6 50 |
| 400 bbls XXX..... | 7 00 |
| 120 bbls choice XXX..... | 9 00 |
| 150 bbls choice white wheat family..... | 10 00 |

WHEAT—Is dull. Choice No. 1 spring sold on track at 14 d.

CORN—Is without any sensible change since our last list, 100 bushels white sold at 8d delivered.

OATS—Are in better supply, but buyers and sellers are apart in their views. The former offer 4d for round lots, while the latter ask 6d. Small sales are making from store at 6d to 7d, according to quality.

HAY—In fair demand and firm; 1 car prime sold at 10 d, 100 bales sold at 2d 10 d, 1 car and 2 bales delivered from store at 10 d, and 2 cars very ordinary on track at 2d 10 d.

PROVISIONS—Are dull and drooping; 5 bbls mess pork sold at 2f 7d, and small lots clear sides and shoulders at 18 and 18 1/2c respectively.

CORN MEAL—20 bbls fresh sold at 3 1/2, and 20 bbls dried at 3 1/2c per lb.

TALLOW—A round lot of 14,000 lbs rendered sold at 10 d.

BUTTER—Is more plenty and prices are barely sustained on all grades except strictly choice dairy which is scarce; 10 lbs good to prime packed sold at from 8d to 8 1/2d, and 10 lbs good at 10 1/2d.

Eggs—Are plenty and market inclined to be easier.

POULTRY—Is unusually scarce, mixed chickens sold at 5 d and 5 1/2c per doz.

POTATOES—Are in fair demand, with sales of 50 bbls packhousers at 2 1/2, 10 sacks large at 10 per bushel and 50 bbls red potatoes at 10 per bbl. Sweet potatoes are dull.

FRUIT—Is boxes oranges and lemons sold at 5 1/2 and 6 1/2c respectively, and 8 bbls choice apples at 10 1/2c to 11 1/2c.

GROCERIES—Are in good demand, and all descriptions are firmly held. 100 lbs N. C. molasses sold at 7d.

FREIGHTS—Are offering in fair amounts for boats bound down, and are in demand.

The week has had moderately varying materially during the week, and is now in its mid-spring like.
